Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. Village Property Tax Abatement: The Village of Annawan hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Annawan hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

SECTION 15. The Village Clerk is hereby directed to send the original signed copy and two certified copies of this Ordinance to the City Manager of the City of Kewanee, to include in the application to DCEO for designation of the Zone.

AN ORDINANCE ESTABLISHING AN ENTERPRISE ZONE IN THE CITY OF KEWANEE, ILLINOIS, THE CITY OF GALVA, ILLINOIS, THE CITY OF GENESEO, ILLINOIS, THE VILLAGE OF ATKINSON, ILLINOIS, THE VILLAGE OF ANNAWAN, ILLINOIS, THE VILLAGE OF CAMBRIDGE, ILLINOIS, THE VILLAGE OF ORION, ILLINOIS, THE VILLAGE OF WOODHULL, ILLINOIS, AND HENRY COUNTY, ILLINOIS

WHEREAS, the Illinois Enterprise Zone Act (20 ILCS 655/1 et. seq.), as amended (hereinafter referred to as the "Act"), authorizes municipalities and counties to designate an "Enterprise Zone", as that term is defined in the Act, for qualified territory which covers portions of more than one municipality or county, together with creating incentive programs, pursuant to a designating ordinance; and,

WHEREAS, pursuant to the Act, the City of Kewanee, by Ordinance #2651, on December 14, 1987, established the original Kewanee Enterprise Zone, as amended from time to time (hereinafter referred to as the "Original Zone"), which included certain real estate located in Kewanee; and,

WHEREAS, in connection with the creation of the Original Zone, Kewanee adopted certain real estate tax abatement incentives, retail sales tax exemption incentives, and other incentives authorized by the Act, that promoted economic growth, encouraged economic development, created and retained jobs, and reduced unemployment in the area of Kewanee; and,

WHEREAS, pursuant to Kewanee Ordinances, Kewanee extended the term, boundaries, and incentives provided for in the Original Zone (including adding certain real estate located in the City of Galva, the Village of Annawan, and Henry County), and in connection therewith the term of the Original Zone was extended to and will terminate on December 31, 2018, pursuant to the Act; and,

WHEREAS, the Original Zone in fact accomplished, in part, the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County; and,

WHEREAS, Kewanee, Galva, Annawan, Henry County, the City of Geneseo, and the Villages of Atkinson, Cambridge, Orion and Woodhull, desire to jointly build upon the past public and private investments and accomplishments arising out of the Original Zone, to further pursue the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County desire to jointly file an application for enterprise zone designation as provided for herein; and,

WHEREAS, pursuant to Public Act 97-0905, the State of Illinois amended the Act to provide for the creation of a new enterprise zone after the natural termination of such enterprise zone created earlier under the Act, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County propose to apply to, and obtain designation from, the Illinois Department of Commerce and Economic Opportunity (hereinafter referred to as "DCEO") to establish a new enterprise zone, from and after January 1, 2019, encompassing a part of Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and a part of the unincorporated area of Henry County; and,

WHEREAS, the Act requires that Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County each adopt a designating ordinance establishing the enterprise zone before applying to DCEO for certification of the enterprise zone; and,

WHEREAS, the application for certification must be submitted to DCEO by December 31, 2017, in order to be considered for approval by September 30, 2018, and become effective on January 1, 2019; and,

WHEREAS, pursuant to this Ordinance, the City of Galva authorizes the filing of an application with DCEO to designate, enact and create a new enterprise zone (hereinafter referred to as the "Enterprise Zone Application") under the provisions of the Act, to create the Kewanee/Henry County Enterprise Zone (hereinafter referred to as the "Kewanee/Henry County Enterprise Zone" or "Zone") to include certain real estate within the jurisdictions of such Applicants, for the purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment within the jurisdictions of the Applicants, said real estate being more fully described in the attached Exhibit A and depicted in the attached Exhibit B (hereinafter referred to as the "Enterprise Zone Area"), which are attached hereto and hereby incorporated by this reference as though fully stated herein; and,

WHEREAS, the City of Galva hereby finds that the creation of the Kewanee/Henry County Enterprise Zone as set forth herein is necessary in order to promote economic growth, encourage economic development, create and retain jobs, and reduce unemployment in the region; and,

WHEREAS, the City of Galva finds that the designation of the Kewanee/Henry County Enterprise Zone pursuant to the Act and this Ordinance depend upon community support, cooperation and the offering of the benefits of the enterprise zone; and,

WHEREAS, the City of Kewanee, Illinois, the City of Galva, Illinois, the City of Geneseo, Illinois, the Village of Annawan, Illinois, the Village of Atkinson, Illinois, the Village of Cambridge, Illinois, the Village of Orion, Illinois, the Village of Woodhull, Illinois, and Henry County, Illinois, are each authorized pursuant to Article VII, Section 10 of the Illinois Constitution, and pursuant to the Illinois Intergovernmental Cooperation Act, 5 ILCS 200/1 et. seq., to enter into agreements for the joint exercise of powers, privileges and authorities.

By April 1 of each year, the Zone Administrator shall file a copy of its fee schedule with DCEO, and DCEO shall post the fee schedule on its website (20 ILCS 655/8.2c).

a. State Enterprise Zone Incentives: The City of Galva authorizes the extension and utilization of any and all state incentives, tax exemptions and other inducements authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency by and for all commercial projects or industrial projects located within the Enterprise Zone Area. If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Galva authorizes any retailer, as defined in the Retailers' Occupation Tax Act [35 ILCS 120/1 et. seq.], who makes a qualified sale of building materials to be permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of

commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.4-1 et. seq.] shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. City Property Tax Abatement: The City of Galva hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Galva hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

SECTION 15. The City Clerk is hereby directed to send the original signed copy and two certified copies of this Ordinance to the City Manager of the City of Kewanee, to include in the application to DCEO for designation of the Zone.

SECTION 16. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Galva authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of

commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance, provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. City Property Tax Abatement: The City of Galva hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Galva hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

iv. The improvements commence after the certification of the Zone by DCEO; and.

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Agreement; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Galva authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of

commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and.

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement, provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. City Property Tax Abatement: The City of Galva hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO.

v No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and.

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Galva hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

SECTION 16. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

WHEREAS, the Original Zone in fact accomplished, in part, the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County; and,

WHEREAS, Kewanee, Galva, Annawan, Henry County, the City of Geneseo, and the Villages of Atkinson, Cambridge, Orion and Woodhull, desire to jointly build upon the past public and private investments and accomplishments arising out of the Original Zone, to further pursue the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County desire to jointly file an application for enterprise zone designation as provided for herein, and,

WHEREAS, the Act requires that Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County each adopt a designating ordinance establishing the enterprise zone before applying to DCEO for certification of the enterprise zone; and,

WHEREAS, the application for certification must be submitted to DCEO by December 31, 2017, in order to be considered for approval by September 30, 2018, and become effective on January 1, 2019; and,

WHEREAS, pursuant to this Ordinance, the City of Geneseo, Illinois authorizes the filing of an application with DCEO to designate, enact and create a new enterprise zone (hereinafter referred to as the "Enterprise Zone Application") under the provisions of the Act, to create the Kewanee/Henry County Enterprise Zone (hereinafter referred to as the "Kewanee/Henry County Enterprise Zone" or "Zone") to include certain real estate within the jurisdictions of such Applicants, for the purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment within the jurisdictions of the Applicants, said real estate being more fully described in the attached Exhibit A and depicted in the attached Exhibit B (hereinafter referred to as the "Enterprise Zone Area"), which are attached hereto and hereby incorporated by this reference as though fully stated herein; and,

If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Geneseo authorizes any retailer, as defined in the Retailers' Occupation Tax Act [35 ILCS 120/1 et. seq.], who makes a qualified sale of building materials to be

permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible, and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2018 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. City Property Tax Abatement. The City of Geneseo hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Geneseo hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

SECTION 15. The City Clerk is hereby directed to send the original signed copy and two certified copies of this Ordinance to the City Manager of the City of Kewanee, to include in the application to DCEO for designation of the Zone.

SECTION 16. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

The Parties authorize the extension and utilization of any and all state incentives, tax exemptions and other inducements authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency by and for all commercial projects or industrial projects located within the Enterprise Zone Area. If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2018 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

B Sales Tax Abatement on Building Materials:

Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Geneseo authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be

permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2018 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Geneseo hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

M. Permit and Fee Waivers.

The Parties hereby authorize and direct Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and the County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation

or new construction of commercial projects, industrial projects and residential projects, within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and the County.

N. Cooperation.

This Agreement in no way limits the ability of the Parties to extend additional incentives or reimbursement to businesses within the Kewanee/Henry County Enterprise Zone or throughout their jurisdiction by separate agreement or ordinance.

O. Additional State Programs.

All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Kewanee/Henry County Enterprise Zone.

Section 8: Term of the Zone:

The term of the Kewanee/Henry County Enterprise Zone shall be 15 years, commencing on January 1, 2019. After the 13th year, the Kewanee/Henry County Enterprise Zone is subject to review by the State-designated Enterprise Zone Board (as that term is defined in the Act) for an additional 10-year designation beginning on the expiration date of the Kewanee/Henry County Enterprise Zone. During the review process, the Enterprise Zone Board shall consider the costs incurred by the State and Parties as a result of tax benefits received by the Kewanee/Henry County Enterprise Zone.

Section 9: Miscellaneous:

A. Amendments: This Agreement may be subsequently modified, or amended, from time to time only by written agreement signed by all the Parties.

B. Severability and Infectious Invalidity: In the event a court of competent jurisdiction declares any particular provision of this Agreement to be invalid or unenforceable, the remaining provisions of this Agreement shall be construed to be valid and enforceable.

C. Counterparts: This Agreement shall be executed in counterparts, each shall constitute one and the same instrument and shall be recognized as an original instrument.

Said fee shall be equal to 0.5% of the documented cost of building materials for each project, up to a maximum of $50,000 per Certificate. By April 1 of each year, the Zone Administrator shall file a copy of its fee schedule with DCEO, and DCEO shall post the fee schedule on its website (20 ILCS 655/6.2c).

SECTION 10. Designated Zone Organization: The Applicants will not authorize a Designated Zone Organization, as that term is defined in the Act, for the Kewanee/Henry County Enterprise Zone.

SECTION 11. Incentives:

a. State Enterprise Zone Incentives: The City of Geneseo authorizes the extension and utilization of any and all state incentives, tax exemptions and other inducements authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency by and for all commercial projects or industrial projects located within the Enterprise Zone Area. If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the City of Geneseo authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be

permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2018 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. City Property Tax Abatement: The City of Geneseo hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The City of Geneseo hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

SECTION 15. The City Clerk is hereby directed to send the original signed copy and two certified copies of this Ordinance to the City Manager of the City of Kewanee, to include in the application to DCEO for designation of the Zone.

SECTION 16. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.4-1 et. seq.] shall qualify for tax abatement under this Ordinance; and,

vi. vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. Village Property Tax Abatement: The Village of Woodhull hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and.

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Woodhull hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate, and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Ordinance No. 04 -2017 (17-04)

AN ORDINANCE ESTABLISHING AN ENTERPRISE ZONE IN THE CITY OF KEWANEE, ILLINOIS, THE CITY OF GALVA, ILLINOIS, THE CITY OF GENESEO, ILLINOIS, THE VILLAGE OF ATKINSON, ILLINOIS, THE VILLAGE OF ANNAWAN, ILLINOIS, THE VILLAGE OF CAMBRIDGE, ILLINOIS, THE VILLAGE OF ORION, ILLINOIS, THE VILLAGE OF WOODHULL, ILLINOIS, AND HENRY COUNTY, ILLINOIS

WHEREAS, the Illinois Enterprise Zone Act (20 ILCS 655/1 et. seq.), as amended (hereinafter referred to as the "Act"), authorizes municipalities and counties to designate an "Enterprise Zone", as that term is defined in the Act, for qualified territory which covers portions of more than one municipality or county, together with creating incentive programs, pursuant to a designating ordinance; and,

WHEREAS, pursuant to the Act, the City of Kewanee, by Ordinance #2652, on December 14, 1987, established the original Kewanee Enterprise Zone, as amended from time to time (hereinafter referred to as the "Original Zone"), which included certain real estate located in Kewanee; and,

WHEREAS, in connection with the creation of the Original Zone, Kewanee adopted certain real estate tax abatement incentives, retail sales tax exemption incentives, and other incentives authorized by the Act, that promoted economic growth, encouraged economic development, created and retained jobs, and reduced unemployment in the area of Kewanee; and,

WHEREAS, pursuant to Kewanee Ordinances, Kewanee extended the term, boundaries, and incentives provided for in the Original Zone (including adding certain real estate located in the City of Galva, the Village of Annawan, and Henry County), and in connection therewith the term of the Original Zone was extended to and will terminate on December 31, 2018, pursuant to the Act; and,

WHERREAS, the Original Zone in fact accomplished, in part, the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County; and,

WHEREAS, Kewanee, Galva, Annawan, Henry County, the City of Geneseo, and the Villages of Atkinson, Cambridge, Orion and Woodhull, desire to jointly build upon the past public and private investments and accomplishments arising out of the Original Zone, to further pursue the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County desire to jointly file an application for enterprise zone designation as provided for herein; and,

WHEREAS, pursuant to Public Act 97-0905, the State of Illinois amended the Act to provide for the creation of a new enterprise zone after the natural termination of such enterprise zone created earlier under the Act, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County propose to apply to, and obtain designation from, the Illinois Department of Commerce and Economic Opportunity (hereinafter referred to as "DCEO") to establish a new enterprise zone, from and after January 1, 2019, encompassing a part of Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and a part of the unincorporated area of Henry County, and,

WHEREAS, the Act requires that Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County each adopt a designating ordinance establishing the enterprise zone before applying to DCEO for certification of the enterprise zone; and,

WHEREAS, the application for certification must be submitted to DCEO by December 31, 2017, in order to be considered for approval by September 30, 2018, and become effective on January 1, 2019; and,

WHEREAS, pursuant to this Ordinance, the Village of Woodhull authorizes the filing of an application with DCEO to designate, enact and create a new enterprise zone (hereinafter referred to as the "Enterprise Zone Application") under the provisions of the Act, to create the Kewanee/Henry County Enterprise Zone (hereinafter referred to as the "Kewanee/Henry County Enterprise Zone" or "Zone") to include certain real estate within the jurisdictions of such Applicants, for the purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment within the jurisdictions of the Applicants, said real estate being more fully described in the attached Exhibit A and depicted in the attached Exhibit B (hereinafter referred to as the "Enterprise Zone Area"), which are attached hereto and hereby incorporated by this reference as though fully stated herein; and,

WHEREAS, the Village of Woodhull hereby finds that the creation of the Kewanee/Henry County Enterprise Zone as set forth herein is necessary in order to promote economic growth, encourage economic development, create and retain jobs, and reduce unemployment in the region; and,

WHEREAS, the Village of Woodhull finds that the designation of the Kewanee/Henry County Enterprise Zone pursuant to the Act and this Ordinance depend upon community support, cooperation and the offering of the benefits of the enterprise zone; and,

a. State Enterprise Zone Incentives: The Village of Woodhull authorizes the extension and utilization of any and all state incentives, tax exemptions and other inducements authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency by and for all commercial projects or industrial projects located within the Enterprise Zone Area. If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the Village of Woodhull authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be

permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO, and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. Village Property Tax Abatement: The Village of Woodhull hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real

estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible, and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Woodhull hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a

nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. d. Village Property Tax Abatement: The Village of Orion hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Orion hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or

parts of ordinances conflicting with any of the provisions of this Ordinance shall be and the same are hereby repealed.

Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a

nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74 4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph: c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. Village Property Tax Abatement: The Village of Orion hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions.

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Orion hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or

SECTION 11. Incentives:

a. State Enterprise Zone Incentives: The Village of Atkinson authorizes the extension and utilization of any and all state incentives, tax exemptions and other inducements authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency by and for all commercial projects or industrial projects located within the Enterprise Zone Area. If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the Village of Atkinson authorizes any retailer, as defined in the Retailers' Occupation Tax Act

(35 ILCS 120/1 et. seq.), who makes a qualified sale of building materials to be permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State. Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a

nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. <u>City Property Tax Abatement:</u> The Village of Atkinson hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (55 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph d., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

e. Permit and Fee Waivers: The Village of Atkinson hereby authorizes and directs Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation or new construction of commercial and industrial projects within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County.

SECTION 12. All programs and benefits made available by the Act to an enterprise zone as now existing or hereinafter enacted shall be available within the Zone.

SECTION 13. Designation of the Zone is subject to approval and certification by DCEO, in accordance with the Act.

SECTION 14. This Ordinance and each and every provision hereof shall be considered separable and the invalidity of any section, clause, paragraph, sentence or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance. All ordinances or

Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the total project costs incurred in the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The Improvements commence after the certification of the Zone by DCEO;

attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the total project costs incurred in the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO;

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) shall qualify for tax abatement under this Agreement; and,

vi. As a condition of property tax abatement under this subparagraph G., the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

M. Permit and Fee Waivers.

The Parties hereby authorize and direct Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and the County to waive the normal amount otherwise charged for any and all fees and permits for the expansion, rehabilitation

or new construction of commercial projects, industrial projects and residential projects, within the Enterprise Zone Area. The provision of this incentive shall not be construed to provide for the elimination of any permit. All construction-related permits shall continue to be required for any project. The waiver shall include water tap, sewer tap and electrical connection fees charged by Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and the County.

WHEREAS, the Illinois Enterprise Zone Act (20 ILCS 655/1 et. seq.), as amended (hereinafter referred to as the "Act"), authorizes municipalities and counties to designate an "Enterprise Zone", as that term is defined in the Act, for qualified territory which covers portions of more than one municipality or county, together with creating incentive programs, pursuant to a designating ordinance; and,

WHEREAS, pursuant to the Act, the City of Kewanee, by Ordinance #2651, on December 14, 1987, established the original Kewanee Enterprise Zone, as amended from time to time (hereinafter referred to as the "Original Zone"), which included certain real estate located in Kewanee; and,

WHEREAS, in connection with the creation of the Original Zone, Kewanee adopted certain real estate tax abatement incentives, retail sales tax exemption incentives, and other incentives authorized by the Act, that promoted economic growth, encouraged economic development, created and retained jobs, and reduced unemployment in the area of Kewanee; and,

WHEREAS, pursuant to Kewanee Ordinances, Kewanee extended the term, boundaries, and incentives provided for in the Original Zone (including adding certain real estate located in the City of Galva, the Village of Annawan, and Henry County), and in connection therewith the term of the Original Zone was extended to and will terminate on December 31, 2018, pursuant to the Act, and,

WHEREAS, the Original Zone in fact accomplished, in part, the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County; and,

WHEREAS, Kewanee, Galva, Annawan, Henry County, the City of Geneseo, and the Villages of Atkinson, Cambridge, Orion and Woodhull, desire to jointly build upon the past public and private investments and accomplishments arising out of the Original Zone, to further pursue the public purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment in the area of Kewanee, Galva, Annawan and Henry County, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County desire to jointly file an application for enterprise zone designation as provided for herein; and,

WHEREAS, pursuant to Public Act 97-0905, the State of Illinois amended the Act to provide for the creation of a new enterprise zone after the natural termination of such enterprise zone created earlier under the Act, and in connection therewith, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County propose to apply to, and obtain designation from, the Illinois Department of Commerce and Economic Opportunity (hereinafter referred to as "DCEO") to establish a new enterprise zone, from and after January 1, 2019, encompassing a part of Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and a part of the unincorporated area of Henry County; and,

WHEREAS, the Act requires that Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull and Henry County each adopt a designating ordinance establishing the enterprise zone before applying to DCEO for certification of the enterprise zone; and,

WHEREAS, the application for certification must be submitted to DCEO by December 31, 2017, in order to be considered for approval by September 30, 2018, and become effective on January 1, 2019; and,

WHEREAS, pursuant to this Ordinance, the Village of Orion authorizes the filing of an application with DCEO to designate, enact and create a new enterprise zone (hereinafter referred to as the "Enterprise Zone Application") under the provisions of the Act, to create the Kewanee/Henry County Enterprise Zone (hereinafter referred to as the "Kewanee/Henry County Enterprise Zone" or "Zone") to include certain real estate within the jurisdictions of such Applicants, for the purpose of promoting economic growth, encouraging economic development, promoting job creation and job retention, and reducing unemployment within the jurisdictions of the Applicants, said real estate being more fully described in the attached Exhibit A and depicted in the attached Exhibit B (hereinafter referred to as the "Enterprise Zone Area"), which are attached hereto and hereby incorporated by this reference as though fully stated herein; and,

If the term of any state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency has not expired as of January 1, 2019 on any qualified commercial project or industrial project located in the Original Zone, then such state incentive, tax exemption and other inducement shall not terminate, but shall instead continue in full force and effect until the natural termination of such state incentive, tax exemption or other inducement authorized under applicable Illinois law, the Act and/or the rules and regulations of DCEO or other applicable state agency.

b. Sales Tax Abatement on Building Materials: Pursuant to applicable law, the Village of Orion authorizes any retailer, as defined in the Retailers' Occupation Tax Act (35

(LCS 120/1 et. seq.), who makes a qualified sale of building materials to be permanently affixed and incorporated into real estate located within the Zone, as amended from time to time, in connection with the expansion, rehabilitation or new construction of commercial projects, industrial projects, or residential projects, may deduct receipts from such sale when calculating the tax imposed by the State, Kewanee, Galva, Annawan, Geneseo, Atkinson, Cambridge, Orion, Woodhull, and Henry County, pursuant to the Retailers' Occupation Tax Act; provided, however, that said deduction shall be allowed if and only if the retailer obtains from the purchaser an Enterprise Zone Building Materials Exemption Certificate (as that term is defined in the Act, the "Exemption Certificate"), which must contain the Exemption Certificate number, issued to the purchaser by the Illinois Department of Revenue. Upon request from the Zone Administrator, the Illinois Department of Revenue shall issue an Exemption Certificate for each construction contractor or other entity identified by the Zone Administrator. The Illinois Department of Revenue shall make the Exemption Certificates available directly to the Zone Administrator and each construction contractor or other entity.

The Department of Revenue shall issue the Exemption Certificate within three business days after receipt of request from the Zone Administrator. The Exemption Certificates shall be provided to the retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting such deduction. Exemption Certificates shall be valid for up to twelve (12) months from the date of issuance; provided, however, that such Exemption Certificates may be extended for an additional twelve (12) months upon request to the Zone Administrator. Such requests for extension shall not be granted more than twice for any one project, and the requesting party must demonstrate good faith efforts to diligently pursue construction of the project.

As a condition of sales tax abatement on building materials under this Section, the purchaser shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible.

c. Property Tax Abatement: Each unit of local government authorized by applicable law to levy ad valorem taxes upon real estate and improvements thereon located in the Enterprise Zone Area, as amended from time to time, may adopt an ordinance or resolution abating the ad valorem taxes subject to the following conditions:

   i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

   ii. Such abatement shall be allowed only for industrial projects or commercial projects within the Enterprise Zone Area, as amended from time to time, provided that such expansion, rehabilitation or new construction is of such a

nature and scope for which a building permit, in the opinion of the Zone Administrator, would otherwise be required; and,

iii. That abatement of real estate taxes on any parcel shall not exceed the amount attributable to the construction of the improvements on the parcel of real estate or the expansion or rehabilitation of existing improvements on such parcel of real estate; and,

iv. The improvements commence after the certification of the Zone by DCEO; and,

v. No property within a Redevelopment Area created pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) shall qualify for tax abatement under this Ordinance; and,

vi. As a condition of property tax abatement under this subparagraph c, the property owner shall make all good faith efforts to use contractors located in, and laborers living in, Henry County to the greatest extent reasonably possible, and to purchase as much of the building materials within Henry County as reasonably possible; and,

vii. Notwithstanding anything contained herein to the contrary, if the term of any abatement of ad valorem taxes has not expired as of January 1, 2019 on any qualified commercial project or industrial project located within the Original Zone, then such abatement shall not terminate, but shall instead continue in full force and effect until the natural termination of such qualifying project's five (5) year abatement; provided, however, that such qualifying project shall not be entitled to more than five (5) years abatement during the term of the new Kewanee/Henry County Enterprise Zone.

d. Village Property Tax Abatement: The Village of Orion hereby authorizes and directs the Henry County Clerk to abate ad valorem taxes imposed upon real property which is attributable to the construction of improvements, and the expansion or rehabilitation of existing improvements, for industrial projects or commercial projects, located within the boundaries of the Zone, as amended from time to time, subject to the following conditions:

i. Such abatement shall be at a rate of one hundred percent (100%) of the increased assessment amount which would accrue from the expansion, rehabilitation or new construction for a period of five (5) years for industrial projects and commercial projects, beginning with the tax year in which the new increased assessment amount would be levied; and,

ii.
