

**Request for Qualifications- Consultant Questions' Response**  
**Illinois 92 Corridor Study for the Illinois Quad Cities – Rock Island, Moline, East Moline, Silvis and MetroLINK**

1. **Can Bi-State release a budget amount for this study?**

As a request for qualifications, cost will not be discussed until a consultant is selected and will be negotiated as part of the scope of work based on the sample scope provided in the RFQ. The project will entail use of federal funds. As such, the selected consultant can anticipate meeting relevant federal transportation planning requirements and assurances. (11/12/18)

2. **Just to verify, the submittal can have 25 pages total which all 25 can be double sided?**

Yes, double-sided not to exceed 25 pieces of paper. (11/12/18)

3. **Are any copies available of previous corridor studies or planning reports for the Corridor available? There was mention of several independently conducted reports/analyses by the various jurisdictions (Rock Island, Moline, I-74 traffic flow), IDOT and MetroLINK.**

The following are study references from Moline.

- <http://www.moline.il.us/DocumentCenter/View/3510> - Comp Plan Update for Moline Center, Florecente, and Edgewater (phase I Riverfront)
- <http://www.moline.il.us/DocumentCenter/View/4346> - Moving Moline Forward (phase II Riverfront)
- <http://www.moline.il.us/DocumentCenter/View/182> - River Drive Corridor Study
  
- <http://www.moline.il.us/DocumentCenter/View/180> - IL 92 Study (draft form and not adopted as an element of the Comp Plan)

Studies for Rock Island are in a downloadable format in the Illinois 92 RFQ module.

4. **Could you provide the list of consultants the RFQ was sent to?**

It is in a downloadable format in the Illinois 92 RFQ module.
